The Honorable Board of Supervisors
County of Los Angeles

Los Angeles, CA 90012

Dear Supervisors:

**DEPARTMENT OF PUBLIC WORKS: COUNTY DEPARTMENTAL RECYCLING
AND EDUCATION PROGRAM
ALL SUPERVISORIAL DISTRICTS
3 VOTES**

IT IS RECOMMENDED THAT YOUR BOARD:

1. Award the contract for County Departmental Recycling and Education Program to WaterWise Consulting, Inc., located in Pasadena, California. This contract will be for a term of two years commencing upon Board approval in an amount not-to-exceed \$249,900, with two 1-year renewal options in the amount of \$124,950 for each option-year, for a total of four years. Funds are available in Public Works' Solid Waste Management Fund.
2. Authorize Public Works to expend an additional 25 percent of the contract sum for unforeseen, additional work within the scope of work of the contract, if required.
3. Authorize Public Works to expend additional amounts not-to-exceed 25 percent of the option-year sum in each of the option years, if required.
4. Delegate authority to the Director of Public Works to execute this contract, to renew the contract for each additional renewal option if, in the opinion of the Director, the contractor has satisfactorily performed during the previous contract period and the services are still required; to approve the contractor's entity change in accordance with the Board's policy on

contractor mergers/acquisitions; to approve and execute amendments to incorporate policy changes; and to suspend the contract work if, in the opinion of the Director, it is in the best interest of the County to do so.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The purpose of this action is to continue implementation of the Departmental Recycling Program (DRP) to help the County comply with waste diversion requirements of the California Integrated Waste Management Act of 1989. Public Works had contracted for this service in 2004, where a contractor conducted waste audits at County facilities to determine recycling insufficiencies and make recommendations. In the contract, which expired in June 2007, the contractor submitted waste audits reports that identified many departments lacking a basic paper recycling program. The reports also recommended that employees receive more information on how their department is recycling and their role. The work in this contract will principally consist of developing outreach materials for County employees and acquiring the recycling infrastructure to implement paper recycling programs as recommended by the waste audit reports. Desk-side receptacles and recycling carts will be distributed to County departments and employees. These measures will help increase diversion by decreasing the disposal of paper, which comprises the bulk of wastestream for many agencies.

Implementation of Strategic Plan Goals

The Countywide Strategic Plan directs that we provide Service Excellence (Goal 1) and Organizational Effectiveness (Goal 3) by having a contractor that has the specialized expertise to provide this proenvironmental service accurately, efficiently, timely, and in a responsive manner.

FISCAL IMPACT/FINANCING

There will be no impact on net County cost. The contract is for an amount not-to-exceed \$249,900 for a two-year term plus 25 percent for unforeseen, additional work within the scope of the contract. This amount is based on the price quoted by the contractor. With the Board's delegated authority, the Director may renew this contract with two 1-year renewal options in an amount not-to-exceed \$124,950 for each option-year plus 25 percent for unforeseen, additional work within the scope of the contract, for a total contract period not-to-exceed four years.

Financing for this service is included in Public Works' 2007-08 Solid Waste Management Fund.

This contract does not allow for cost-of-living adjustments.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

Prior to the Director executing this contract, which will be substantially similar to Attachment A, the contractor will sign and County Counsel will review it as to form.

The recommended contractor is WaterWise Consulting, Inc., located in Pasadena, California. This contract will commence upon Board approval for a period of two years with two 1-year renewal options, for a total contract period not to exceed four years.

The Director may approve mergers, acquisitions, and other changes of form of entity or assignment in accordance with Board Policy 9.041, Evaluation of Vendors/Contractors Engaged in Mergers or Acquisitions.

This contract contains terms and conditions supporting Board-sponsored policies, such as contractor responsibility and debarment, jury service requirements, the Safely Surrendered Baby Law, and charitable activities compliance.

Proof of the required Comprehensive General and Automobile Liability insurance policies, naming the County as additional insured, and evidence of Workers' Compensation insurance will be obtained from the contractor before any work is assigned.

As requested by your Board, the contractor has submitted a safety record that reflects its past activities have been conducted according to reasonable standards of safety.

In accordance with the Chief Administrative Officer's June 15, 2001, instructions, this is Public Works' assurance that this contractor will not be requested to perform services that will exceed the contract's approved amount, scope of work, and/or terms.

ENVIRONMENTAL DOCUMENTATION

The award of this contract is not a project subject to the provisions of the California Environmental Quality Act (CEQA) because it is certain that this activity will not result in a direct or a reasonably foreseeable indirect physical change in the environment in accordance with Public Resource Code Section 21065 and Section 15378 of the State CEQA guidelines.

CONTRACTING PROCESS

On April 4, 2007, Public Works solicited proposals from 419 independent contractors and community business enterprises to accomplish this work. Also, a notice of the Request for Proposals (RFP) was placed on the County's bid website (Attachment B), and an advertisement was placed in the *Los Angeles Times*.

Pursuant to the applicable memorandum of understanding, the RFP for this contracted service was submitted on April 4, 2007, to the appropriate union for review. The union has not asked to meet with Public Works regarding this solicitation.

On April 30, 2007, two proposals were received. The proposals were first reviewed to ensure they met the mandatory requirements outlined in the RFP. The proposals, having met these requirements, were evaluated by an evaluation committee consisting of Public Works staff. The committee's evaluation was based on specific numeric criteria described in the RFP, which included the price, experience, work plan, financial resources, and references. Based on this evaluation, it is recommended that this contract be awarded to the highest-rated, responsive, and responsible proposer, WaterWise Consulting, Inc., located in Pasadena, California.

Public Works has evaluated and determined that the Living Wage Program (County Code Chapter 2.201) does not apply to the recommended contract, which is for services performed on as-needed and intermittent basis.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

This contract implements recommendations that resulted from the DRP study. The award of this contract will not result in the displacement of any County employees. All County departments will be contacted, trained, and supplied with recycling bins. There will be a negligible one-time impact in terms of training time for certain existing staff in each department.

SAMPLE AGREEMENT FOR

THIS AGREEMENT, made and entered into this ____ day of _____, 2007, by and between the COUNTY OF LOS ANGELES, a subdivision of the State of California, a body corporate and politic (hereinafter referred to as COUNTY) and WATERWISE CONSULTING, INC., a California Corporation (hereinafter referred to as CONTRACTOR).

WITNESSETH

FIRST: The CONTRACTOR, for the consideration hereinafter set forth and the acceptance by the Board of Supervisors of said COUNTY of the CONTRACTOR'S Proposal filed with the COUNTY on April 30, 2007, hereby agrees to provide services as described in the attached specifications for County Departmental Recycling and Education Program, including, but not limited to, Exhibit A, Scope of Work.

SECOND: This AGREEMENT, together with Exhibit A, Scope of Work; Exhibit B, Service Contract General Requirements; Exhibit C, Internal Revenue Service Notice 1015; Exhibit D, Safely Surrendered Baby Law Posters; the CONTRACTOR'S Proposal, all attached hereto; the Request for Proposals; and Addenda to the Request for Proposals, all of which are incorporated herein by reference, are agreed by the COUNTY and the CONTRACTOR to constitute the Contract Documents.

THIRD: The COUNTY agrees, in consideration of satisfactory performance of the foregoing services in strict accordance with the Contract specifications to the satisfaction of the Director of Public Works, to pay the CONTRACTOR pursuant to the Schedule of Prices set forth in the Proposal as Form PW-2, an amount not to exceed the Maximum Contract Sum of \$249,900 for the two-year term, or such greater amount as the Board may approve. Should this Contract be extended, as provided in the Fourth paragraph below, the COUNTY shall pay the CONTRACTOR for each option-year an amount not to exceed the Maximum Contract Sum of \$124,950 per year, or such greater amount as the Board may approve .

FOURTH: This Contract's initial term shall be for a period of two years commencing upon Board approval. At the discretion of the COUNTY, this Contract may be extended in increments of one year, not to exceed a total contract period of four years. The COUNTY, acting through the Director, may give a written notice of intent to extend this Contract at least 30 days prior to the end of each term.

FIFTH: The CONTRACTOR shall bill monthly, in arrears, for the work performed during the preceding month. Work performed shall be billed at the unit prices quoted in Form PW-2, Schedule of Prices. Notwithstanding the amounts of compensation quoted in the Schedule of Prices, Public Works and the CONTRACTOR may agree in writing that the compensation quoted in Schedule of Prices may be reduced as a result of savings realized in the performance of work. Should the CONTRACTOR perform any task for a lower price

than originally agreed or should any task be curtailed, resulting in a surplus in the funds allocated in Form PW-2 for the work during the initial two-year term or during the option-years, Public Works may direct the application of any surplus to increase the quality or quantity of any other tasks provided for in the Schedule of Prices, Form PW-2. However, such reallocation of funds is permitted only with the written approval of Public Works.

SIXTH: Public Works will make payment to the CONTRACTOR within 30 days of receipt and approval of a properly completed invoice. Each invoice shall be in triplicate (original and two copies) and shall itemize the work completed. The invoices shall be submitted to:

SEVENTH: In no event shall the aggregate total amount of compensation paid to the CONTRACTOR exceed the amount of compensation authorized by the Board. Such aggregate total amount is the Maximum Contract Sum.

EIGHTH: The CONTRACTOR understands and agrees that only the designated Public Works Contract Manager is authorized to request or order work under this Contract. The CONTRACTOR acknowledges that the designated Contract Manager is not authorized to request or order any work that would result in the CONTRACTOR earning an aggregate compensation in excess of this Contract's Maximum Contract Sum.

NINTH: The CONTRACTOR shall not perform or accept work requests from the Contract Manager or any other person that will cause the Maximum Contract Sum of this Contract to be exceeded. The CONTRACTOR shall monitor the balance of this Contract's Maximum Contract Sum. When the total of the CONTRACTOR'S paid invoices, invoices pending payment, invoices yet to be submitted, and ordered services reaches 75 percent of the Maximum Contract Sum, the CONTRACTOR shall immediately notify the Contract Manager in writing. The CONTRACTOR shall send written notification to the Contract Manager when this Contract is within six months from expiration of the term as provided for hereinabove.

TENTH: No cost-of-living adjustments shall be granted for the optional renewal periods.

ELEVENTH: In the event that terms and conditions listed in the CONTRACTOR'S Proposal conflict with the COUNTY'S specifications, requirements, terms and conditions as reflected in this AGREEMENT, including, but not limited to, Exhibits A through D, inclusive, the COUNTY'S provisions shall control and be binding.

TWELFTH: This Contract constitutes the entire agreement between the COUNTY and the CONTRACTOR with respect to the subject matter of this Contract and supersedes all prior and contemporaneous agreements and understandings.

IN WITNESS WHEREOF, the COUNTY has, by order of its Board of Supervisors, caused these presents to be subscribed by the Director of Public Works, and the CONTRACTOR has subscribed its name by and through its duly authorized officers, as of the day, month, and year first written above.

SCOPE OF WORK

COUNTY DEPARTMENTAL RECYCLING AND EDUCATION PROGRAM

(2007-AN021)

A. Public Works Contract Manager

Public Works Contract Manager will be Mr. Levon Khachatryan of Environmental Programs Division, who may be contacted at (626) 458-2535, e-mail address: lkhachatryan@dpw.lacounty.gov, Monday through Thursday, 8 a.m. to 5:30 p.m. The Contract Manager is the only person authorized by Public Works to request work of the Contractor. From time to time, Public Works may change the Contract Manager. The Contractor will be notified in writing when there is a change in the Contract Manager.

B. Work Location

Los Angeles County.

C. Work Description1. Background

The California Integrated Waste Management Act of 1989 requires cities and counties in California to divert at least 50 percent of their solid waste from disposal in landfills. To comply with the State's waste diversion mandates, Public Works serves as the Countywide Recycling Coordinator to implement waste reduction and recycling processes within the County departmental workplaces through the Board-approved Departmental Recycling Program (DRP). One of the goals of the DRP includes promoting waste reduction and materials reuse and recycling where feasible. To enhance County workplace recycling, the DRP has identified, through waste audits and site visits, a need for more outreach and to implement paper recycling infrastructure in different County departments.

2. Work Required

The Contractor's work shall entail:

Task 1 – Outreach: Create and produce outreach materials to employees of all County departments, aimed toward encouraging environmental stewardship through the practices of reducing, reusing, and recycling resources in the workplace. Messages in the materials shall include information applicable to environmental protection, practical and simple waste reduction and recycling tips in the workplace, and useful contact and resources information.

Task 2 – Recycling Infrastructure: Acquire and distribute (a) desk-side receptacles for depositing recyclable paper, (b) recycling carts to be strategically located in the workplaces from which the collected recyclable paper, including cardboard is hauled, and (c) receptacles to deposit used batteries.

Task 3 – Program Management: Conduct training sessions, including presentations for County employees to kick off the implementation of the paper recycling program and to positively motivate the employees to practice waste reduction and recycling. Conduct evaluations to determine the effectiveness of the program.

D. Work Description

1. Task 1 – Outreach

- a. Contractor shall create, develop, and produce outreach materials that positively motivate County department employees to habitually practice reducing waste and reusing and recycling workplace resources. Any specific topics to be included in the outreach materials will be provided by the Contract Manager. Materials created, developed, and/or produced by the Contractor must be professional, colorful, and appealing in appearance, and approved by the Contract Manager prior to print. The incorporation of languages, other than English, may also be necessary. Contractor shall employ an experienced graphic designer to develop the outreach, who will be compensated by the hour by the County. The hours to produce the outreach materials should be reasonable, meet industry standards, and be approved by the County prior to beginning work. Contractor shall create and write articles in Microsoft Word as specified by the Contract Manager.
- b. Flyers: Contractor shall create, produce, and print flyers of dimensions 5.5 x 8.5 inches. Flyers shall be printed double sided on 30 percent post-consumer, recycled-content paper.
- c. Brochures: Contractor shall create, produce, and print brochures of dimensions 8.5 x 11 inches when unfolded. Brochures shall be printed double sided on 30 percent post-consumer, recycled-content paper and be glossy and tri folded, either c-fold or z-fold (at the discretion of the Contract Manager).
- d. Newsletters: Contractor shall create, produce, and print newsletters of dimensions 8.5 x 11 inches. Newsletters shall be two pages in length and printed double sided on 30 percent post-consumer, recycled-content paper.

- e. Posters: Contractor shall create, produce, and print posters of dimensions 11 x 17 inches. The appearance of the posters shall be professional, simple, and appealing with a positive and compelling waste reduction and recycling message.

2. Task 2 – Recycling Infrastructure

To establish a recycling infrastructure in the County department workplaces, Contractor shall provide receptacles and carts as directed by the County upon Contract Manager's approval of the items. County aims to acquire desk-side receptacles and carts in batches as directed by the Contract Manager. Contractor shall deliver and distribute the receptacles and carts at County facilities, as directed by the County. Once invoiced by the Contractor and paid by the County, the receptacles and carts become the properties of the County.

- a. Desk-Side Receptacles: Contractor shall provide and distribute durable plastic desk-side receptacles for employees to deposit recyclable paper. Receptacles shall be between 6 and 10 gallons in capacity with a handle for convenient transport and prominently blue in color with "PAPER RECYCLING" clearly and legibly inscribed in white lettering.
- b. Recycling Carts: Contractor shall provide and distribute durable plastic recycling carts in sets to be strategically located in County departments into which recyclable paper is deposited. Each set shall contain one cart for white paper, one cart for mixed paper, and one cart for cardboard, unless otherwise specified by the County. Carts shall be made available in 64- and 96-gallon capacities, have wheels on the base, a handle on the back for convenient transportation, and a cover hinged to the body of the cart. The carts shall be provided in three distinctly, different colors and must be approved by the Contract Manager. Each container on its front side shall clearly and legibly display one of the following: WHITE PAPER, MIXED PAPER, or CARDBOARD.
- c. Battery Receptacles: Contractor shall provide durable plastic receptacles for employees to deposit used batteries. Receptacles shall be strategically located in the workplaces in coordination with the appropriate County building management personnel. The receptacles shall have the inscription BATTERIES prominently and legibly displayed.

3. Task 3 – Project Management

Contractor shall manage all work activities in a manner that yields quality outreach and infrastructure products and ensures the timely progress and completion of tasks in coordination with the Contract Manager. Contractor's staff shall present themselves professionally, both in manner and dress, particularly when meeting and working with personnel of various County departmental facilities. Prior to beginning work, the Contractor shall hold a kick off meeting with the County at Public Works headquarters. To augment the outreach and recycling infrastructure components, the Contractor shall also perform the following:

- a. Quarterly Meetings: The Contractor shall hold quarterly meetings at Public Works Headquarters to discuss contract status, pertinent issues, progress made, work done, work pending, and any problems encountered. The Contractor shall prepare and submit the agenda one week prior to the meetings. The Contractor shall prepare and submit minutes of the meeting for review and approval. Minutes and any other documents shall be printed double sided on 30 percent post-consumer, recycled-content paper.
- b. Incentive Award: The Contractor shall assist the County in awarding an "Outstanding Recycling Coordinator" incentive award each quarter, which recognizes County Recycling Coordinators who have demonstrated notable efforts to enhance recycling in the workplace. For each winner, the Contractor shall purchase a \$100 U.S. Savings Bond by obtaining a U.S. Savings I Bond application from a prominent bank chain and writing a valid check for \$100 made to the bank for securing the Savings Bond. Winners will obtain the Savings Bonds by submitting the application and check at a branch of the bank. Winners will be determined by the County.
- c. Presentation and Training Sessions: Contractor shall conduct presentation and training sessions at County departments to inform employees of the value of habitually practicing waste reduction and recycling in the workplace. Sessions shall include visual presentations to reinforce the message of environmental stewardship and include practical and simple tips on how to reduce, reuse, and recycle. Contractor shall be prepared to answer questions and provide relevant contact information or additional resources to address inquiries.
- d. Evaluations: Contractor shall evaluate County departments to gauge the effectiveness of the implemented paper recycling infrastructure, and submit a report for each departmental facility to the Contract Manager detailing how well the program is operating.

Evaluations include visiting the subject facility, meeting with its Recycling Coordinator, walking the floors to observe recycling bin usage, and interviewing employees to evaluate the effectiveness of the outreach and their participation rate. The report should include the following:

- Frequency at which employees recycle paper.
- Employees' opinion on how well the program is operating.
- Comments on how to improve the program.
- Reports on any additional infrastructure needs or modifications.

E. Schedule of Deliverables

Contractor shall complete tasks and deliverables according to the following schedule:

1. Task 1 – Outreach

The Contractor shall not be entitled to any claim for loss profits or otherwise, should Public Works fail to determine a need for services under this Contract.

F. Reports and Materials

All documents, reports, and other materials prepared by the Contractor under this Contract shall be delivered to Public Works and shall become the property of the County. All legal rights and privileges of the study, in whole or in part, are retained by the County. No parts of this program may be used for any purposes without the prior consent of the County. Reports shall be written in Microsoft Word format. Any fonts used in the materials (other than Times, Courier, and Arial) shall be provided in TrueType format. Materials shall be produced for output on 8.5- x11-inch or 11- x17-inch paper. All graphics shall be in PC-readable format, such as Adobe Illustrator, Adobe PageMaker, or Adobe Photoshop format. Images shall be maintained in an editable format with no constraints on ability to use the materials.

G. Special Safety Requirements

In the performance of this Contract, precaution shall be exercised by the Contractor for the protection of persons, including employees, and property. The Contractor shall comply with all applicable Federal, State, and local laws governing safety, health, and sanitation. The Contractor shall provide all safety devices, safeguards, and protective equipment and take any other needed

actions on its own volition (or as Public Works may determine reasonably necessary to protect the life and health of employees on the job and the safety of the public and to protect property in connection with the performance of the work covered by this Contract). Contractor's personnel shall observe all applicable Cal/OSHA regulations while at any demonstration facility or other County jobsite. Suitable clothing, hats, gloves, and shoes that meet Cal/OSHA requirements are required.

H. Responsibilities of the Contractor

Contractor shall provide a Contract Representative (CR) who is a full-time employee of the Contractor. This CR shall provide overall management and coordination of this Contract and act as the central contact for Public Works. The CR shall have full authority to act for the Contractor on all Contract matters relating to daily operation, including answering questions, responding to emergencies, and approving reports. Supervision shall be provided to the satisfaction of the Contract Manager.

I. Contractor Safety Official

The Contractor shall designate in writing a Contractor Safety Official who shall be thoroughly familiar with the Contractor's Injury and Illness Prevention Program and Code of Safe Practices. The Contractor Safety Official shall be available at all times to abate any potential safety hazards and shall have the authority and responsibility to shut down an operation, if necessary. Failure by the Contractor to provide the required Contractor Safety Official shall be grounds for Public Works to direct the cessation of all work activities and operations at no cost to Public Works until such time as the Contractor is in compliance.

J. Liquidated Damages

1. In any case of the Contractor's failure to meet certain specified performance requirements, Public Works may, in lieu of other remedies provided by law or the Contract, assess liquidated damages in specified sums and deduct them from any regularly scheduled payment to the Contractor. However, neither the provision of a sum of liquidated damages for nonperformance or untimely or inadequate performance nor the County's acceptance of liquidated damages shall be construed to waive the County's right to reimbursement for damage to its property or indemnification against third-party claims.
2. The amounts of liquidated damages have been set in recognition of the following circumstances existing at the time of the formation of the Contract:

- a. All of the time limits and acts required to be done by both parties are of the essence of the Contract.
- b. The parties are both experienced in performance of the Contract work.
- c. The Contract contains a reasonable statement of the work to be performed in order that the expectations of the parties to the Contract are realized. The expectation of Public Works is that the work will be performed with due care in a workmanlike, competent, timely, and cost-efficient manner while the expectation of the Contractor is a realization of a profit through the ability to perform the Contract work in accordance with the terms and conditions of the Contract at the Proposal price.
- d. The parties are not under any compulsion to contract.
- e. The Contractor's acceptance of the assessment of liquidated damages against it for unsatisfactory and late performance is by agreement and willingness to be bound as part of the consideration being offered to Public Works for the award of the Contract.
- f. It would be difficult for Public Works to prove the loss resulting from nonperformance or untimely, negligent, or inadequate performance of the work.
- g. The liquidated sums specified represent a fair approximation of the damages incurred by Public Works resulting from the Contractor's failure to meet the performance standard as to each item for which an amount of liquidated damages is specified.
- h. The Contractor shall pay Public Works, or Public Works may withhold the whole or portion of the monies due the Contractor for the failure to perform any portion of this Contract. The amount of the liquidated damages will be as shown:
 - i. Task 1 and 3 \$ 50 per day late
 - ii. Task 2 \$100 per day late

B. Assignment and Delegation

1. Contractor shall not assign its rights or delegate its duties under this Contract, or both, whether in whole or in part, without the prior written consent of County, in the County's sole and absolute discretion, and any attempted assignment or delegation without such consent shall be null and void. Contractor represents and warrants that it is aware of, and its authorized officers have read, the provisions of Los Angeles County Code, Section 2.180.010, "Certain Contracts Prohibited," and that execution of this Agreement will not violate those provisions. Contractor shall comply with all conflict of interest laws, ordinances, and regulations now in effect or hereafter to be enacted during the term of this Contract. Full written disclosure shall include, but is not limited to, identification of all persons implicated and a complete description of all relevant circumstances. Failure to comply with the provisions of this paragraph shall be a material breach of this Contract subjecting Contractor to either contract termination for default or debarment proceedings or both. Contractor must sign and adhere to the "Conflict of Interest Certification" (Form PW-5).

J. Consideration of Hiring County Employees Targeted for Layoffs or Former County Employee on Reemployment List

County's Child Support Services Department will supply Contractor with the poster to be used.

M. Contractor's Charitable Activities Compliance

The Supervision of Trustees and Fundraisers for Charitable Purposes Act regulates entities receiving or raising charitable contributions. By requiring contractors to complete the Charitable Contributions Certification (Form PW-12), County seeks to ensure that all County contractors which receive or raise charitable contributions comply with California law in order to protect County and its taxpayers. A contractor which receives or raises charitable contributions without complying with its obligations under California law commits a material breach subjecting it to either contract termination for default or debarment proceedings or both. 2. As required by County's Child Support Compliance Program (Los Angeles County Code Chapter 2.200), and without limiting Contractor's duty under this Contract to comply with all applicable provisions of law, Contractor warrants that it is now in compliance and shall during the term of this Contract maintain compliance with the employment and wage reporting requirements as required by the Federal Social Security Act (42 USC Section 653a) and California Unemployment Insurance Code Section 1088.5, and shall implement all lawfully served Wage and Earnings Withholding Orders or Child Support Services Department Notices of Wage and Earnings Assignment for Child, Family, or Spousal Support, pursuant to Code of Civil Procedure Section 706.031 and Family Code Section 5246(b).

O. County's Quality Assurance Plan

County or its agent will evaluate Contractor's performance under this Contract on not less than an annual basis. Such evaluation will include assessing Contractor's compliance with all this Contract's terms and conditions and performance standards. Contractor deficiencies which County determines are severe or continuing and that may place performance of this Contract in jeopardy, if not corrected, will be reported to the Board. The report will include improvement/corrective action measures taken by County and Contractor. If improvement does not occur consistent with the corrective action measures, County may terminate this Contract for default or impose other penalties as specified in this Contract.

P. Damage to County Facilities, Buildings, or Grounds

1. Contractor shall repair, or cause to be repaired, at its own cost, any and all damage to County facilities, buildings, or grounds caused by Contractor or employees or agents of Contractor.
2. Such repairs shall be made immediately after Contractor has become aware of such damage, but in no event later than 30 days after the occurrence. If Contractor fails to make timely repairs, County may make any necessary repairs. All costs incurred by County, as determined by County, for such repairs shall be repaid by Contractor by cash payment

Contractor shall obtain, from all covered employees performing services hereunder, all verification and other documentation of employment eligibility status required by Federal and State statutes and regulations including, but not limited to, the Immigration Reform and Control Act of 1986 (P.L. 99-603), or as they currently exist and as they may be hereafter amended. Contractor shall retain all such documentation for all covered employees for the period prescribed by law.
2. Contractor shall indemnify, defend, and hold harmless, County, its Board, agents, officers, and employees from employer sanctions and any other liability which may be assessed against Contractor or County or both in connection with any alleged violation of Federal or State statutes or regulations pertaining to the eligibility for employment of persons performing services under this Contract.

R. Facsimile Representations

At the discretion of County, County may agree to regard facsimile representations of original signatures of Contractor's authorized officers, when appearing in appropriate places on the change notices and amendments prepared pursuant to this Exhibit's Amendments, and received via communications facilities, as legally sufficient evidence that such original signatures have been affixed to change notices and amendments to this Contract, such that the Contractor need not follow up facsimile transmissions of such documents with subsequent (non-facsimile) transmission of "original" versions of such documents.

S. Fair Labor Standards

Contractor shall comply with all applicable provisions of the Federal Fair Labor Standards Act and shall indemnify, defend, and hold harmless County and its Board, agents, officers, and employees from any and all liability, including, but not limited to, wages, overtime pay, liquidated damages, penalties, court costs, and attorneys' fees arising under any wage and hour law, including, but not limited to, the Federal Fair Labor Standards Act, for work performed by Contractor's employees for which County may be found jointly or solely liable.

2. Contractor shall certify to, and comply with, the provisions of Contractor's EEO Certification (Form PW-7).
3. Contractor shall take affirmative action to ensure that applicants are employed, and that employees are treated during employment, without regard to race, color, religion, ancestry, national origin, sex, age, physical or mental disability, marital status, or political affiliation, in compliance with all applicable Federal and State antidiscrimination laws and regulations. Such action shall include, but not be limited to, employment, upgrading, demotion, transfer, recruitment or recruitment advertising, layoff or termination, rates of pay or other forms of compensation, and selection of training, including apprenticeship.
4. Contractor certifies and agrees that it will deal with its subcontractors, bidders, or vendors without regard to or because of race, color, religion, ancestry, national origin, sex, age, physical or mental disability, marital status, or political affiliation.
5. Contractor certifies and agrees that it, its affiliates, subsidiaries, or holding companies shall comply with all applicable Federal and State laws and regulations to the end that no person shall, on the grounds of race, color, religion, ancestry, national origin, sex, age, physical or mental disability, marital status, or political affiliation, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under this Contract or under any project, program, or activity supported by this Contract.

6. Contractor shall allow County representatives access to Contractor's employment records during regular business hours to verify compliance with the provisions of this paragraph when so requested by County.
7. If County finds that any of the above provisions have been violated, such violation shall constitute a material breach of this Contract upon which County may terminate for default or suspend this Contract. While County reserves the right to determine independently that the antidiscrimination provisions of this Contract have been violated, in addition, a determination by the California Fair Employment Practices Commission or the Federal Equal Employment Opportunity Commission that Contractor has violated Federal or State antidiscrimination laws or regulations shall constitute a finding by County that Contractor has violated the antidiscrimination provisions of this Contract.
8. The parties agree that in the event Contractor violates any of the antidiscrimination provisions of this Contract, County shall, at its sole option, be entitled to a sum of \$500 for each violation pursuant to California Civil Code Section 1671 as liquidated damages in lieu of terminating or suspending this Contract.

V. Nonexclusivity

Nothing herein is intended nor shall be construed as creating any exclusive arrangement with Contractor. This Contract shall not restrict County from acquiring similar, equal, or like goods and/or services from other entities or sources.

W. No Payment for Services Provided Following Expiration/Termination of Contract

Contractor shall have no claim against County for payment of any money or reimbursement, of any kind whatsoever, for any service provided by Contractor after the expiration or other termination of this Contract. Should Contractor receive any such payment, it shall immediately notify County and shall immediately repay all such funds to County. Payment by County for services rendered after expiration/termination of this Contract shall not constitute a waiver of County's right to recover such payment from Contractor. This provision shall survive the expiration/termination of this Contract.

X. Notice of Delays

Except as otherwise provided under this Contract, when either party has knowledge that any actual or potential situation is delaying or threatens to delay the timely performance of this Contract, that party shall, within one business day, give notice thereof, including all relevant information with respect thereto, to the other party.

Y. Notice of Disputes

P.O. Box 1460

(Public Records Act). County shall not in any way be liable or responsible for the disclosure of any such records including, with limitation, those so marked, if disclosure is required by law, or by an order issued by a court of competent jurisdiction.
2. In the event County is required to defend an action on a Public Records Act request for any of the aforementioned documents, information, books, records, and/or contents of a proposal marked "trade secret," "confidential," or "proprietary," Contractor agrees to defend and indemnify County from all costs and expenses, including reasonable attorney's fees, in connection with any requested action or liability arising under the Public Records Act.

All such material shall be maintained by Contractor at a location in County, provided that if any such material is located outside County, then, at County's option, Contractor shall pay County for travel, per diem, and other costs incurred by County to examine, audit, excerpt, copy, or transcribe such material at such other location.

1. In the event that an audit of Contractor is conducted specifically regarding this Contract by any Federal or State auditor, or by any auditor or accountant employed by Contractor or otherwise, then Contractor shall file a copy of such audit report with County's Auditor-Controller within 30 days of Contractor's receipt thereof, unless otherwise provided by applicable Federal or State law or under this Contract. Subject to applicable law, County shall make a reasonable effort to maintain the confidentiality of such audit report(s).
2. Failure on the part of Contractor to comply with any of the provisions of this paragraph shall constitute a material breach of this Contract upon which County may terminate for default or suspend this Contract.
3. If, at any time during the term of this Contract or within five years after the expiration or termination of this Contract, representatives of County conduct an audit of Contractor regarding the work performed under this Contract, and if such audit finds that County's dollar liability for any such work is less than payments made by County to Contractor, then the difference shall be either: a) repaid by Contractor to County by cash payment upon demand or b) at the sole option of County's Auditor-Controller, deducted from any amounts due to Contractor from County, whether under this Contract or otherwise. If such audit finds that County's dollar liability for such work is more than the payments made by County to Contractor, then the difference shall be paid to Contractor by County by cash payment, provided that in no event shall County's maximum obligation for this Contract exceed the funds appropriated by County for the purpose of this Contract.

3. Contractor shall remain fully responsible for all performances required of it under this Contract, including those that the Contractor has determined to subcontract, notwithstanding County's approval of Contractor's proposed subcontract.
4. County's consent to subcontract shall not waive County's right to prior and continuing approval of any and all personnel, including subcontractor employees, providing services under this Contract. Contractor is responsible to notify its subcontractors of this County right.
5. County's Contract Manager is authorized to act for and on behalf of County with respect to approval of any subcontract and subcontractor employees.

II. Warranty Against Contingent Fees

1. Contractor warrants that no person or selling agency has been employed or retained to solicit or secure this Contract upon an agreement or understanding for a commission, percentage, brokerage, or contingent fee, excepting bona fide employees or bona fide established commercial or selling agencies maintained by Contractor for the purpose of securing business.

2. In the event County terminates this Contract in whole or in part pursuant to this paragraph, County may procure, upon such terms and in such manner, as County may deem appropriate, goods and services similar to those so terminated. Contractor shall be liable to County for any and all excess costs incurred by County, as determined by County, for such similar goods and services. Contractor shall continue the performance of this Contract to the extent not terminated under the provisions of this paragraph.
3. Except with respect to defaults of any subcontractor, Contractor shall not be liable for any excess costs of the type identified in subparagraph 2 above, if its failure to perform this Contract arises out of causes beyond the control and without the fault or negligence of Contractor. Such causes may include, but are not limited to, acts of God or of the public enemy, acts of County in either its sovereign or contractual capacity, acts of the Federal or State government in its sovereign capacity, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, and unusually severe weather; but in every case, the failure to perform must be beyond the control and without the fault or negligence of Contractor. If the failure to perform is caused by the default of a subcontractor, and if such default arises out of causes beyond the control of both Contractor and subcontractor, and without the fault or negligence of either of them, Contractor shall not be liable for any such excess costs for failure to perform, unless the goods or services to be furnished by the subcontractor were obtainable from other sources in sufficient time to permit Contractor to meet the required delivery schedule.
4. If, after County has given notice of termination under the provisions of this paragraph, it is determined by County that Contractor was not in default

under the provisions of this paragraph or that the default was excusable under the provisions of this paragraph, the rights and obligations of the parties shall be the same as if the notice of termination had been issued pursuant to this Exhibit's Termination for Convenience.

5. The rights and remedies of County provided in this paragraph shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.
6. As used herein, the terms "subcontractor" and "subcontractors" mean subcontractor at any tier.

In the event of such termination, County shall be entitled to pursue that same remedies against Contractor as it could pursue in the event of default by Contractor.
2. Contractor shall immediately report any attempt by a County officer or employee to solicit such improper consideration. The report shall be made either to County manager charged with the supervision of the employee or to County Auditor-Controller's Employee Fraud Hotline at (800) 554-6861.

B. Chapter 2.202 of County Code

Contractor is hereby notified that, in accordance with Chapter 2.202 of County Code, if County acquires information concerning the performance of Contractor on this or other contracts, which indicates that Contractor is not responsible, County may, in addition to other remedies provided in this Contract, debar Contractor from bidding or proposing on, being awarded, and/or performing work on County contracts for a specified period of time, which generally will not exceed five years but may exceed five years or be permanent if warranted by the circumstances, and terminate any or all existing contracts Contractor may have with County.

C. Nonresponsible Contractor

County may debar a contractor if the Board finds, in its discretion, that Contractor has done any of the following: (1) violated any term of a contract with County or a nonprofit corporation created by County; (2) committed an act or omission which negatively reflects on Contractor's quality, fitness, or capacity to perform a contract with County, any other public entity, or a nonprofit corporation created by County, or engaged in a pattern or practice which negatively reflects on same; (3) committed an act or offense which indicates a lack of business integrity or business honesty; or (4) made or submitted a false claim against County or any other public entity.

D. Contractor Hearing Board

1. If there is evidence that Contractor may be subject to debarment, Public Works will notify Contractor in writing of the evidence which is the basis for the proposed debarment and will advise Contractor of the scheduled date for a debarment hearing before Contractor Hearing Board.
2. Contractor Hearing Board will conduct a hearing where evidence on the proposed debarment is presented. Contractor and/or Contractor's representative shall be given an opportunity to submit evidence at that hearing. After the hearing, Contractor Hearing Board will prepare a tentative proposed decision, which shall contain a recommendation

regarding whether Contractor should be debarred, and, if so, the appropriate length of time of the debarment. Contractor and Public Works shall be provided an opportunity to object to the tentative proposed decision prior to its presentation to the Board.

3. After consideration of any objections, or if no objections are submitted, a record of the hearing, the proposed decision, and any other recommendation of Contractor Hearing Board shall be presented to the Board. The Board shall have the right to modify, deny, or adopt the proposed decision and recommendation of Contractor Hearing Board.
4. If a contractor has been debarred for a period longer than five years, that contractor may, after the debarment has been in effect for at least five years, submit a written request for review of the debarment determination to reduce the period of debarment or terminate the debarment. County may, in its discretion, reduce the period of debarment or terminate the debarment if it finds that Contractor has adequately demonstrated one or more of the following: (1) elimination of the grounds for which the debarment was imposed; (2) a bona fide change in ownership or management; (3) material evidence discovered after debarment was imposed; or (4) any other reason that is in the best interests of County.

Upon receiving an appropriate request, Contractor Hearing Board will provide notice of the hearing on the request. At the hearing, Contractor Hearing Board shall conduct a hearing where evidence on the proposed reduction of debarment period or termination of debarment is presented. This hearing shall be conducted and the request for review decided by Contractor Hearing Board pursuant to the same procedure as for a debarment hearing.

The provisions of this Section shall be inserted into any such subcontract agreement and a copy of the Jury Service Program shall be attached to the agreement.
3. If Contractor is not required to comply with the Jury Service Program when this Contract commences, Contractor shall have a continuing obligation to review the applicability of its "exception status" from the Jury Service Program, and Contractor shall immediately notify County if Contractor at any time either comes within the Jury Service Program's definition of "Contractor" or if Contractor no longer qualifies for an exception to the

Jury Service Program. In either event, Contractor shall immediately implement a written policy consistent with the Jury Service Program. County may also require, at any time during this Contract and at its sole discretion, that Contractor demonstrate to County's satisfaction that Contractor either continues to remain outside of the Jury Service Program's definition of "Contractor" and/or that Contractor continues to qualify for an exception to the Jury Service Program.

4. Contractor's violation of this Section of this Contract may constitute a material breach of this Contract. In the event of such material breach, County may, in its sole discretion, terminate this Contract and/or bar Contractor from the award of future County contracts for a period of time consistent with the seriousness of the breach.

SECTION 8

Contractor will also encourage its subcontractors, if any, to post this poster in a prominent position in the subcontractor's place of business. County's Department of Children and Family Services will supply Contractor with the poster to be used. Information on how to receive the poster can be found on the Internet at www.babysafela.org.

Department of the Treasury
Internal Revenue Service

Notice 1015

(Rev. December 2006)

Have You Told Your Employees About the Earned Income Credit (EIC)?

What Is the EIC?

The EIC is a refundable tax credit for certain workers.

Which Employees Must I Notify About the EIC?

You must notify each employee who worked for you at any time during the year and from whom you did not withhold income tax. However, you do not have to notify any employee who claimed exemption from withholding on Form W-4, Employee's Withholding Allowance Certificate.

Note. You are encouraged to notify each employee whose wages for 2006 are less than \$38,348 that he or she may be eligible for the EIC.

How and When Must I Notify My Employees?

You must give the employee one of the following:

- The IRS Form W-2, Wage and Tax Statement, which has the required information about the EIC on the back of Copy B.
- A substitute Form W-2 with the same EIC information on the back of the employee's copy that is on Copy B of the IRS Form W-2.
- Notice 797, Possible Federal Tax Refund Due to the Earned Income Credit (EIC).
- Your written statement with the same wording as Notice 797.

If you are required to give Form W-2 and do so on time, no further notice is necessary if the Form W-2 has the required information about the EIC on the back of the employee's copy. If a substitute Form W-2 is given on time but does not have the required information, you must notify the employee within 1 week of the date the substitute Form W-2 is given. If Form W-2 is required but is not given on time, you must give the employee Notice 797 or your written statement by the date Form W-2 is required to be given. If Form W-2 is not required, you must notify the employee by February 7, 2007.

You must hand the notice directly to the employee or send it by First-Class Mail to the employee's last known address. You will not meet the notification requirements by posting Notice 797 on an employee bulletin board or sending it through office mail. However, you may want to post the notice to help inform all employees of the EIC. You can get copies of the notice from the IRS website at www.irs.gov or by calling 1-800-829-3676.

How Will My Employees Know If They Can Claim the EIC?

The basic requirements are covered in Notice 797. For more detailed information, the employee needs to see the 2006 instructions for Form 1040, 1040A, 1040EZ, or Pub. 596, Earned Income Credit (EIC).

How Do My Employees Claim the EIC?

Eligible employees claim the EIC on their 2006 tax return. Even employees who have no tax withheld from their pay or owe no tax can claim the EIC and get a refund, but they must file a tax return to do so. For example, if an employee has no tax withheld in 2006 and owes no tax but is eligible for a credit of \$824, he or she must file a 2006 tax return to get the \$824 refund.

How Do My Employees Get Advance EIC Payments?

Eligible employees who expect to have a qualifying child for 2007 can get part of the credit with their pay during the year by giving you a completed Form W-5, Earned Income Credit Advance Payment Certificate. You must include advance EIC payments with wages paid to these employees, but the payments are not wages and are not subject to payroll taxes. What is the Safely Surrendered Baby Law?

California's Safely Surrendered Baby Law allows parents to give up their baby confidentially. As long as the baby has not been abused or neglected, parents may give up their newborn without fear of arrest or prosecution.

How does it work?

A distressed parent who is unable or unwilling to care for a baby can legally, confidentially and safely give up a baby within three days of birth. The baby must be handed to an employee at a Los Angeles County emergency room or fire station. As long as the child shows no signs of abuse or neglect, no name or other information is required. In case the parent changes his or her mind at a later date and wants the baby back, workers will use bracelets to help connect them to each other. One bracelet will be placed on the baby, and a matching bracelet will be given to the parent.

What if a parent wants the baby back?

Parents who change their minds can begin the process of reclaiming their newborns within 14 days. These parents should call the Los Angeles County Department of Children and Family Services at 1-800-540-4000.

Can only a parent bring in the baby?

In most cases, a parent will bring in the baby. The law allows other people to bring in the baby if they have legal custody.

Does the parent have to call before bringing in the baby?

No. A parent can bring in a baby anytime, 24 hours a day, 7 days a week so long as the parent gives the baby to someone who works at the hospital or fire station.

Does a parent have to tell anything to the people taking the baby?

No. However, hospital personnel will ask the parent to fill out a questionnaire designed to gather important medical history information, which is very useful in caring for the child. Although encouraged, filling out the questionnaire is not required.

What happens to the baby?

The baby will be examined and given medical treatment, if needed. Then the baby will be placed in a pre-adoptive home.

What happens to the parent?

Once the parent(s) has safely turned over the baby, they are free to go.

Why is California doing this?

The purpose of the Safely Surrendered Baby Law is to protect babies from being abandoned by their parents and potentially being hurt or killed. You may have heard tragic stories of babies left in dumpsters or public bathrooms. The parents who committed these acts may have been under severe emotional distress. The mothers may have hidden their pregnancies, fearful of what would happen if their families found out. Because they were afraid and had nowhere to turn for help, they abandoned their infants. Abandoning a baby puts the child in extreme danger. It is also illegal. Too often, it results in the baby's death. Because of the Safely Surrendered Baby Law, this tragedy doesn't ever have to happen in California again.

A baby's story

At 8:30 a.m. on Thursday, July 25, 2002, a healthy newborn baby was brought to St. Bernardine Medical Center in San Bernardino under the provisions of the California Safely Surrendered Baby Law. As the law states, the baby's mother did not have to identify herself. When the baby was brought to the emergency room, he was examined by a pediatrician, who determined that the baby was healthy and doing fine. He was placed with a loving family while the adoption process was started.

Every baby deserves a chance for a healthy life. If someone you know is considering abandoning a newborn, let her know there are other options.

It is best that women seek help to receive proper medical care and counseling while they are pregnant. But at the same time, we want to assure parents who choose not to keep their baby that they will not go to jail if they deliver their babies to safe hands in any Los Angeles County hospital ER or fire station.

Sin pena. Sin culpa. Sin peligro.

¿Qué es la Ley de Entrega de Bebés Sin Peligro?

La Ley de Entrega de Bebés Sin Peligro de California permite a los padres entregar a su recién nacido confidencialmente. Siempre que el bebé no haya sufrido abuso ni negligencia, padres pueden entregar a su recién nacido sin temor a ser arrestados o procesados.

¿Cómo funciona?

El padre/madre con dificultades que no pueda o no quiera cuidar de su recién nacido puede entregarlo en forma legal, confidencial y segura, dentro de los tres días del nacimiento. El bebé debe ser entregado a un empleado de una sala de emergencias o de un cuartel de bomberos del Condado de Los Angeles. Siempre que el bebé no presente signos de abuso o negligencia, no será necesario suministrar nombres ni información alguna. Si el padre/madre cambia de opinión posteriormente y desea recuperar a su bebé, los trabajadores utilizarán brazaletes para poder vincularlos. El bebé llevará un brazalete y el padre/madre recibirá un brazalete igual.

¿Qué pasa si el padre/madre desea recuperar a su bebé?

Los padres que cambien de opinión pueden empezar el proceso de reclamar a su recién nacido dentro de los 14 días. Estos padres deberán llamar al Departamento de Servicios para Niños y Familias (Department of Children and Family Services) del Condado de Los Angeles, al 1-800-540-4000.

¿Sólo los padres podrán llevar al recién nacido?

En la mayoría de los casos, los padres son los que llevan al bebé. La ley permite que otras personas lleven al bebé si tienen la custodia legal del menor.

¿Los padres deben llamar antes de llevar al bebé?

No. El padre/madre puede llevar a su bebé en cualquier momento, las 24 horas del día, los 7 días de la semana, mientras que entregue a su bebé a un empleado del hospital o de un cuartel de bomberos.

¿Es necesario que el padre/madre diga algo a las personas que reciben al bebé?

No. Sin embargo, el personal del hospital le pedirá que llene un cuestionario con la finalidad de recabar antecedentes médicos importantes, que resultan de gran utilidad para los cuidados que recibirá el bebé. Es recomendado llenar este cuestionario, pero no es obligatorio hacerlo.

¿Qué ocurrirá con el bebé?

El bebé será examinado y, de ser necesario, recibirá tratamiento médico. Luego el bebé se entregará a un hogar preadoptivo.

¿Qué pasará con el padre/madre?

Una vez que los padres hayan entregado a su bebé en forma segura, serán libres de irse.

¿Por qué California hace esto?

La finalidad de la Ley de Entrega de Bebés Sin Peligro es proteger a los bebés del abandono por parte de sus padres y de la posibilidad de que mueran o sufran daños. Usted probablemente haya escuchado historias trágicas sobre bebés abandonados en basureros o en baños públicos. Es posible que los padres que cometieron estos actos hayan estado atravesando dificultades emocionales graves. Las madres pueden haber ocultado su embarazo, por temor a lo que pasaría si sus familias se enteraran. Abandonaron a sus recién nacidos porque tenían miedo y no tenían adonde recurrir para obtener ayuda. El abandono de un recién nacido lo pone en una situación de peligro extremo. Además es ilegal. Muy a menudo el abandono provoca la muerte del bebé. Ahora, gracias a la Ley de Entrega de Bebés Sin Peligro, esta tragedia ya no debe suceder nunca más en California.

Historia de un bebé

A las 8:30 a.m. del jueves 25 de julio de 2002, se entregó un bebé recién nacido saludable en el St. Bernardine Medical Center en San Bernardino, en virtud de las disposiciones de la Ley de Entrega de Bebés Sin Peligro. Como lo establece la ley, la madre del bebé no se tuvo que identificar. Cuando el bebé llegó a la sala de emergencias, un pediatra lo revisó y determinó que el bebé estaba saludable y no tenía problemas. El bebé fue ubicado con una buena familia, mientras se iniciaban los trámites de adopción.

**Cada recién nacido merece una
oportunidad de tener una vida saludable.
Si alguien que usted conoce está pensando
en abandonar a un recién nacido, infórmele
qué otras opciones tiene.**

Es mejor que las mujeres busquen ayuda para recibir atención médica y asesoramiento adecuado durante el embarazo. Pero al mismo tiempo, queremos asegurarles a los padres que optan por no quedarse con su bebé que no irán a la cárcel si dejan a sus bebés en buenas manos en cualquier sala de emergencia de un hospital o en un cuartel de bomberos del Condado de Los Angeles.
